

# All Purpose Odor Control

Designed for manual or automated deodorizing equipment where broad-based odor control is desired, *Avir Natural Air* All Purpose Odor Control is a specific blend of the *Natural Air* Acidic and Alkaline odor control products. Designed to handle a wide spectrum of odors, it will neutralize Ammonia, Butylamine, Hydrogen Sulphide, Methyl Mercaptan, Trimethylamine, VOC's and other compounds of a similar nature.

To reduce scum, oils and other fatty build-ups, *Avir Natural Air* All Purpose Odor Control has an emulsifying agent as part of its composition. This additive prolongs plant machinery and equipment life, and considerably reduces maintenance costs.

- Formulated for misters, foggers and automatic spray equipment
- Appropriate for direct dosing into liquid as well
- Animal and people friendly
- Non-volatile formula
- Industrial strength blend
- Economical ultra-concentrate
