

Dry Bacteria Water Clarifier

Avir Natural Water Dry Bacteria Water Clarifier is an easy to use blend of bacteria that consumes visible solids and improves overall water clarity.

Avir Natural Water Clarifier is a superior mixture of dry bacterial strains on a bran-type carrier. This product safely and naturally clarifies water in lakes and ponds by augmenting existing bacteria and consuming excess nutrients in the water column. By removing these solids, this product prevents cloudy or turbid water.

Avir Natural Water Clarifier works with nature to maintain a healthy body of water. Regular treatment can slow the aging process of your lake or pond.

- Naturally cleans and clears water in lakes and ponds
- Available in bulk or ½ lb pouches
- Easy to apply
- All natural; pathogen free
- Safe for fish plants and humans
- Fast acting ingredients
- Cannot be overdosed
- Enhances any aquatic environment

Dry Bacteria Water Clarifier Application Guidelines

Application Rate

(1 acre foot = a surface acre 1' deep or 326,000 gallons)

Initial: 3 lb per acre foot (9 lb per 1.0M gallons)

Weekly: ½ lb per acre foot (1.5 lb per 1.0M gallons)

For bulk bacteria, mix in a 5-gallon pail with enough pond water to broadcast as evenly as possible over water surface

For pouches, toss in near aerator or source of agitation

For Optimum Results

- Always follow application rates and directions
- Apply when ambient temperature is 50°-90° F dissolved oxygen level is over 1.0 ppm; pH is 6-8; and alkalinity is less than 100 ppm
- Use with other *Avir Natural Water* Enzyme, Bacteria, Trace Minerals and Phosphorous Reduction products for a full treatment program
- Proper aeration will enhance product performance

Technical Specs

In Use pH Range:.....Neutral

Solubility in Water.....Mostly Soluble

Odor.....Characteristic

Appearance.....Light brown powder

Packaging, Handling and Storage

Size	Dimensions (LxHxW)	Weight
10 lb pail	12" x 12" x 12"	12 lbs
25 lb pail	18" x 18" x 7"	28 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an *Avir Natural Water* Dry Bacteria Water Clarifier MSDS for more specific information.
