

Liquid Enzyme Deodorizer Plus

Avir Natural Air Liquid Enzyme Deodorizer Plus is designed specially for manual or automated deodorizing equipment where ongoing odor control is a necessity.

Avir Natural Air Deodorizer Plus is used every day in trash chutes, dumpsters, grease receptacles, garages, rest rooms, common used areas and restaurants.

Typical scented products wear off quickly and the same odors reappear. The active ingredients in *Avir Natural Air* Deodorizer Plus immediately break down odor causing molecules in the air and on nearby surfaces providing unprecedented odor control 24/7.

- Formulated for misters, foggers and automatic spray equipment
- Animal and people friendly
- Non-volatile formula
- Industrial strength blend
- Economical ultra-concentrate

Liquid Enzyme Deodorizer Plus Application Guidelines

Directions

Fogger: Mix 4 – 8 ounces per gallon of water
Set fogger to spray at regular intervals. See your rep for a schedule based on odor intensity, room size and air flow through.

Manual Sprayer: Mix 4 – 8 ounces per gallon of water
Spray at regular intervals or as needed to remediate odor.
Spray areas once a day or as needed to deodorize.

For Optimum Results

- Clean any odor emitting areas with products from the *Avir Natural Clean* line
- Treat more frequently for stale or heavy odor

Technical Specs

pH range: 3.25-4.20
Fragrances: None added
