

Avir Natural Clean Applications

Grease Dissolver

Avir Natural Clean Grease Dissolver cuts through layers of stubborn grease and oil and dissolves it so that grime cannot be redeposited while cleaning.

Avir Natural Clean Grease Dissolver's concentrated enzyme and surfactant combination works by breaking down the grease and oil into smaller constituents. Then the broad based enzyme solution cuts the exposed fat and oil so that it can not reform on surfaces or in a waste stream.

Avir Natural Clean Grease Dissolver is used anywhere from commercial kitchens to industrial production facilities to parts degreasing applications.

- Does not allow grease to reform
- Leaves no chemical residue
- Removes grease build-up
- Biodegradable formula
- Safe for employees to use
- Contains no phosphates, abrasives, solvents or harsh chemicals
- Used in wide variety of industries

Grease Dissolver Application Guidelines

Directions

Appliances and Equipment

16-24 ounces per gallon. Allow up to 5 minutes contact time. Clean as usual.

Floors and Hard Surfaces

8-16 ounces per gallon. Allow up to 5 minutes contact time. Clean as usual.

Parts Cleaner and Degreaser

24-32 ounces per gallon. Allow up to 5 minutes contact time. Clean as usual.

For Optimum Results

- Mix with warm water when cleaning.
- Increase contact time to enhance product penetration.
- Apply multiple times for old or heavy build-up.
- Use a scrub brush to achieve a deeper clean.
- Rinse with clean warm water as needed.

Technical Specs

pH range: 3.25-4.20

Fragrances: None added

Appearance: Translucent amber liquid
