

Avir Natural Clean Applications

Hard Surface Cleaner

Avir Natural Clean Hard Surface does not simply push grease around on a surface. It actually dissolves grease on contact leaving a residue free finish with no chemical build-up.

Avir Natural Clean Hard Surface accomplishes this by pairing high-performance surfactant technology with our broad-based enzyme package. This combination lifts surface and embedded soils, and begins breaking them down at the molecular level. Grease cannot reform.

With regular use, *Avir Natural Clean* Hard Surface allows no excess build-up to residue. Over time, this minimizes the cleaning task and provides a healthier work environment.

- Tough on commercial grime
- Non-corrosive includes no phosphates or solvents
- Safe for equipment and drain lines
- Non-abrasive, designed for long-term use on water safe surfaces

Hard Surface Cleaner Application Guidelines

Surface Type

Kitchen and Bathroom Countertops, Cabinets, Appliances and Equipment, Cutting Boards, Coffee Makers, Microwaves, Sinks, Tubs, Toilets, Hardware and Fixtures
2-6 ounces per gallon of water. Allow 1-3 minutes contact time. Clean as usual. Repeat as needed.

For Desks, Table Tops, Doors, Computers, TVs, Furniture and Metal, Wood or Tile
2 ounces per gallon of water. Allow 1-3 minutes contact time. Clean as usual. Repeat as needed.

Stainless Steel or Glass

½-1 ounce per gallon of water. Wipe with a soft, lint-free cloth.

For Optimum Results

- Mix with warm water to improve cleaning.
- Increase contact time to enhance product penetration.
- Apply multiple times for old or heavy build-up.
- Use friction to achieve a deeper clean.
- Rinse with clean warm water as needed.

Technical Specs

pH range: 3.25-4.20

Fragrances: None added

Appearance: Translucent amber liquid

Packaging, Handling and Storage

Size	Package	Dimensions (LxHxW)	Weight
Quart	12/case	14" x 10" x 10"	29 lbs
1-gal	4/case	15" x 10" x 10"	39 lbs
5-gal	pail	12" x 10" x 15"	48 lbs
55-gal	drum	24" dia. X 36"H	475 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an Avir *Natural Clean* Hard Surface MSDS for more specific information.
