

Liquid Enzyme Pool Treatment

Avir Natural Water Pool Treatment cleanses water by removing organic material and restores your pool to a clear, odor free state.

Typical pool chemicals minimize the signs of underlying water problems. *Avir Natural Water Pool Treatment* utilizes a diverse blend of broad spectrum enzymes to break down body oil, lotions, urine, feces and other organics.

Avir Natural Water Pool Treatment speeds up the natural process to safely remove this organic material before it has a chance to cause problems with water clarity, excess slime and algae growth.

Avir Natural Water Pool Treatment can be used with other water treatment chemicals to help stabilize pH, reduce water upsets and make your pool sparkle.

- Improves water clarity
- Naturally cleanses away algae and slime
- Effective on scum lines
- Fewer water upsets
- Reduces chemical treatments and eliminates chemical odors

Avir Natural Pool & Spa Applications

Liquid Enzyme Pool Treatment Application Guidelines

Residential Application Rate

Maintenance: Add 1-2 ounces per 2000 gallons of water capacity weekly. **For heavier than normal bather loading, double the weekly dose.**
Open, close or upset: Add 2-4 ounces per 2000 gallons of water capacity.

Commercial Application Rate

Maintenance: Add 5-10 ounces per 10,000 gallons of pool water capacity weekly. **For heavier than normal bather loading, double the weekly dose.**
Open, close or upset: Add 10-20 ounces per 10,000 gallons of water capacity.

For Optimum Results

- Continue normal use of pool sanitizer; normal "shock" routines will not adversely affect this product
- Inject product continuously with a peristaltic pump or mix the dosage manually with a bucket of pool water and spread evenly over surface.
- May be mixed directly with many other pool products but it is NOT to be applied at the same time as sanitizers
- Apply when water temp. is 50-110° F; pH is 6-8; alkalinity is less than 100 ppm
- Increased dosage may be required during heavy traffic periods

Technical Specs

In Use pH Range:.....Neutral
Solubility in Water.....Soluble
Odor.....Mild
Appearance.....Clear amber liquid

Packaging, Handling and Storage

Size	Package	Dimensions (LxHxW)	Weight
Quart	12/case	14" x 10" x 10"	29 lbs
1-gal	4/case	15" x 10" x 10"	39 lbs
5-gal	pail	12" x 10" x 15"	48 lbs
55-gal	drum	24" dia. X 36"H	475 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an Avir *Natural Pool & Spa* Liquid Enzyme Pool Treatment MSDS for more specific information.
