

Liquid Enzyme Spa Treatment

Avir Natural Spa Treatment was created to safely and naturally biodegrade organic material, reduce spa maintenance and produce naturally cleaner spa water. While many spa treatment chemicals only address the evidence that a problem exists, the natural enzymes contained in *Avir Natural Spa Treatment* aid in the digestion of body oils, lotions, cosmetics and other organics.

Avir Natural Spa Treatment enhances the natural process to safely remove the organic material which often causes problems with water clarity, algae and slime growth. Safe to use with other spa treatment chemicals, *Avir Natural Spa Treatment* helps stabilize pH, cleans spa filters and reduces spa water upsets.

- Reduces maintenance
- Eliminates chemical odors
- Reduces skin and eye irritation
- Naturally washes away algae and slime allowing sanitizers to work
- Effective on scum lines
- Leaves water feeling silky soft

Liquid Enzyme Spa Treatment Application Guidelines

Residential Spa Application Rate

Maintenance: Add 1 – 2 ounces per 500 gallons of spa water capacity weekly. For heavier than normal bather loading, double the weekly dose.
Open, close or upset: Add 2 – 4 ounces per 500 gallons of water capacity.

Commercial Spa Application Rate

Maintenance: Add 2 – 4 ounces per 500 gallons of spa water capacity weekly. For heavier than normal bather loading, double the weekly dose.
Open, close or upset: Add 4 – 8 ounces per 500 gallons of water capacity

For Optimum Results

- Continue normal use of spa sanitizer; normal “shock” routines will not adversely affect this product
- Inject product continuously with a peristaltic pump or mix the dosage manually with a bucket of spa water and spread evenly over surface.
- May be mixed directly with many other spa products but it is NOT to be applied at the same time as sanitizers
- Apply when water temp. is 50-110° F; pH is 6-8; alkalinity is less than 100 ppm
- Increased dosage may be required during heavy traffic periods

Technical Specs

In Use pH Range:.....Neutral
Solubility in Water.....Soluble
Odor.....Mild
Appearance.....Clear amber liquid

Packaging, Handling and Storage

Size	Package	Dimensions (LxHxW)	Weight
Quart	12/case	14" x 10" x 10"	29 lbs
1-gal	4/case	15" x 10" x 10"	39 lbs
5-gal	pail	12" x 10" x 15"	48 lbs
55-gal	drum	24" dia. X 36"H	475 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an Avir *Natural Spa* Liquid Enzyme Spa Treatment MSDS for more specific information.
